

Applicant: Victor Christou
Application No.: 09/445,050

REMARKS

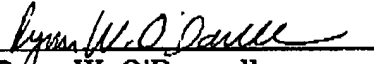

Pursuant to a phone conference with Examiner Wells on November 4, 2003, the Examiner indicated that Applicant's Reply submitted on November 15, 2002 was non-responsive to the Advisory Action mailed on July 15, 2002 since the amended claims were not drawn to the elected species.

Claims 47-61 are currently pending. Claims 54-61 are newly added. These new dependent claims read on the species elected pursuant to Applicant's Reply submitted on October 17, 2001. Applicant submits that claims 47-53 are generic to the elected species and should be entitled to consideration upon allowance of claims 54-61.

Reconsideration and allowance of claims 47-61 is respectfully requested.

Respectfully submitted,

Victor Christou
